

PADDD PROGRAM

Student Summary Guide & Worksheet

Participant Name: _____ Date of Class: _____

PURPOSE OF THIS ASSIGNMENT

The purpose of this assignment is to demonstrate what you learned from the PADDD (Positive Alternatives to Dangerous and Destructive Decisions) program and how you plan to use this information to become a safer, more responsible driver.

Your summary should be approximately one typed page and written in your own words. Your responses should show that you paid attention to the speakers, understood their messages, and reflected on how the program relates to your own driving decisions.

PART 1: SPEAKER SUMMARIES

Each speaker shared personal experiences, professional knowledge, or important information about the consequences of dangerous driving decisions. For each speaker, include their name and briefly explain:

- Who was the speaker, and what was their story or experience?
- What important information or message did they share?
- What was something specific you learned or found meaningful from their presentation?

BEFORE YOU SUBMIT: CHECKLIST

- ☐ I included each speaker’s name and important points from their presentation.
- ☐ I explained what I learned from the program.
- ☐ I identified 3–4 specific changes I will make to my driving habits.
- ☐ I checked my spelling, grammar, and punctuation.
- ☐ I wrote the summary in my own words.

Please note: Your summary will be reviewed by a PADDD staff member. You may be asked to provide additional information or make revisions before receiving your certificate of completion.

The goal is not simply to complete an assignment, but to demonstrate to the courts that you understand the importance of making safe and responsible driving decisions.
